

Karran kitchen faucets are designed to look beautiful and function flawlessly. Made using the highest quality, long-lasting components, each faucet will provide years of trouble-free use. This faucet is simple to install with its single hole mounting design, and comes in a variety of elegant, durable finishes that will complement your kitchen décor. The multi-function spray head provides both a gentle aerated stream of water and a powerful spray for tougher cleaning situations. Single lever flow and temperature control makes it very simple to operate. Consider one of these faucets the perfect choice for any residential or commercial kitchen project.

Karran soap dispensers feature top quality brass construction and corrosion and rust resistant finishes. The smooth action pump is self-priming and the large capacity bottle holds 12oz of liquid soap or lotion. Refilling is easy from above the countertop. Threaded bottle attachment ensures a tight seal preventing spillage.
