

## CONERO Trays

Trays are designed with a single back glass panel and an open front to allow for easy access to the items on the tray.

CONERO Trays have adjustable widths allowing them to form a clear width from 334 to 1020 mm (13 1/8 - 40 1/8"). Full-extension runners are finished with soft, self-closing mechanisms.

A variety of flocked mats and anti-slip inserts enhance the versatility of the trays.
