

COLLECTIONS

INSPIRED & ENTICING

When outfitting a large space or an entire home with lighting, our motto is simple: start at the center and work your way out. Our Collections give you that all-important focal point – the chandelier – but also include everything else you need to light adjoining spaces. Sconces, pendants, ceiling fixtures ensure total coordination. With a Kichler Collection, you get so much more than just the centerpiece – you get the entire room.
