

Yuree Collection
48 Inch Dual Yuree Fan NI
310125NI (Brushed Nickel)

Product Description: This Brushed Nickel, 48-inch combination fan is made up of two 24-inch Yur™ ceiling fans, each affixed to a center column. The Yuree offers homeowners ultimate control with the option of having both fans on while the entire unit rotates, as well as the option to have both 24-inch fans operating while the unit remains in a fixed position.

Available Finishes

- Brushed Nickel
- Oil Brushed Bronze
