Product Overview & Guides

Scott® Pro provides state of the art solutions to maximize productivity. Providing the right, hygienic supplies in the restroom is a priority for businesses – it shows your staff and visitors that you care enough to provide what they need. By providing Scott® Pro Liquid Hand Soap, you're helping stop the spread of germs. This luxurious, moisturizing pink liquid foam soap has a subtle floral scent and comes in a sealed container. Because the dispenser is high-capacity, it's a popular choice for use in washrooms in office buildings, healthcare environments, high-traffic areas, hospitality, lodging, commercial spaces and much more, saving you time and maintenance. The easy-to-load cassette is designed to be compatible with Kimberly-Clark dispensers, and the bottle is recyclable (after the pump is removed). Buy it in bulk so you'll always have a refill and reduce the risk of running out. Providing this reliable hand soap helps give your guests what they need to stay clean and healthy. It's the same Kleenex® quality, now Scott® branded.

Six 1.0 liter bottles per case

This foaming Scott® Pro Brand soap is an important step in the washroom experience and ideal for use in commercial, high-traffic areas

The sealed container keeps the liquid hand soap free of contaminants, and the bottle is recyclable (after pump is removed)

Use Scott® Pro Liquid Hand Soap with a compatible Kimberly-Clark Professional™ dispenser for consistent dispensing

The easy-to-load bulk cassette clicks right into place, simplifying your maintenance
