Audrine™ by Studio McGee Kitchen Sink Collection

In the kitchen, true artistry comes from balance: beauty and function, durability and style. The Audrine kitchen sink collection by Kohler x Studio McGee captures that harmony with fireclay construction and thoughtfully integrated accessories. Each sink is a statement in modern classic design and pairs seamlessly with the Edalyn™ kitchen faucet to create a space that feels timeless, distinct, and complete.

Versatile Styles

Available in farmhouse, undermount, and bar sink options to suit your space and the way you use it.

Signature Apron-Front Design

The farmhouse kitchen sink features an apron with Kohler's patented Self-Trimming® design, overlapping with the cabinet face for a clean, built-in finish.

Durable Fireclay Construction

Crafted from smooth, nonporous fireclay, Audrine sinks hold up beautifully to everyday use while adding a timeless touch.

Built-In Ledge

An integrated ledge keeps accessories at counter height, helping you prep, wash, and serve with enhanced efficiency.
