

Features

- For use with Damask vanities in the KOHLER® Tailored vanity collection.
- Catalyzed conversion varnish provides a durable moisture-resistant finish.
- Two solid wood drawers with dovetail construction.
- Full-extension 18-inch depth drawers with slow-close under-mount slides for smooth opening.
- Allows for easier transport through tight door openings or stairways than a full-size one-piece vanity.
- Coordinates with the K-99689 Damask handle or K-99686 Damask knob (sold separately).

Material

- Solid wood and veneers.
- Wood is a living material, and its beauty is enhanced by natural variations in grain, color, and pattern. No two pieces of wood are exactly the same, and the color will change with age, temperature, and exposure to light.
- The nature of wood grain can cause variations in stain depth. Our expert craftspeople hand-apply the stain to blend these variations.
