## Sub pendant

Designers  
Kenneth Ng, Edmund Ng

Red Dot Design Award 2019

The Sub Pendant boasts a minimalist profile and emits a soft, warm glow. A continuous line of LED light wraps around the entire piece, allowing this pendant to function as both a task light for worksurfaces and ambient light for ceilings. The Sub is compatible with many ELV wall dimmers. Available as a single pendant or circular configuration of multiple lights, the Sub complements rather than obstructs the aesthetic of its surroundings.

LEED Information

Integrative Process

To support high-performance, cost-effective project outcomes through an early analysis of the interrelationships among systems.
Koncept's LED lighting fixtures operate at high efficacy, therefore helping to minimize energy costs. All Koncept lighting fixtures are dimmable so that occupants can choose the appropriate setting to avoid energy overuse.

Interior Lighting

To promote occupants' productivity, comfort and well-being by providing high-quality lighting.
Koncept's entire line of hardwired lighting fixtures are dimmable. Users can adjust the brightness settings to suit their needs. Furthermore, all products utilize high quality LED light sources with CRI over 80 and L70 rated lifespan over 50,000 hours.
