Contents

The Great Outdoors® by Minka-Lavery® is your home's 'welcome statement'. Graceful, fashionable lighting is the best value that you can add to your home.

At The Minka Group®, we provide lighting that is decorative and in keeping with today's trends. Our fixtures meet stringent quality and durability guidelines to assure you of products that are safe, long lasting investments, giving years of beauty and security. We ascribe to Title 24 and Dark-Sky standards for our various collections, recognizing we are all an important part of our environment and global community.

Please enjoy our 2013 collection on the following pages.

EVER-PRO™

The Great Outdoors® proudly introduces our new Ever-Pro™ outdoor collection. Raising the standard for strength, beauty and durability with non-corrosive synthetic construction, stainless steel internal components and UV-resistant finishes, Ever-Pro™ is the perfect solution for all environments.

LED

With increasing interests in energy conservation, The Great Outdoors® proudly introduces our new LED wall brackets. Beautiful illumination with an environmental advantage. Without compromising style, our LED lights supply a 3000% energy savings over comparable Incandescent bulbs while providing a life span in excess of 25,000 hours. A luminous alternative to standard lighting.

Dark-Sky

The Great Outdoors® is proud to present a complete line of Dark-Sky Friendly® outdoor fixtures. The International Dark-Sky Association (IDA) is a non-profit organization that educates and promotes the effects of outdoor lighting on night sky light pollution. Their efforts are centered on reducing the night time glare caused by outdoor lighting. We have created new exciting families of outdoor lighting that are compliant with the standards established by the International Dark-Sky Association. In addition we have included our popular Dark-Sky Friendly® series of ceramic outdoor sconces. All of our Dark-Sky Friendly® fixtures meet UL standards for wet location applications. Our Dark-Sky fixtures comply with IDA specifications; however, you must consult local regulations to determine which fixtures best comply with the standards they have established.

Features:

- ▶ Fully shielded light source to reduce glare and enhance the night sky.
- ▶ Attractive details allow Dark-Sky compliance without compromising style.

Acknowledgements / Disclaimer / Warranty

- ▶ Minka-Lavery® will warranty only product sold through authorized Minka-Lavery® dealers.
- ▶ All products depicted in this catalog, when properly installed, are UL or ETL listed, suitable for Wet Location. The only exception are flush mounts and chain hung which are UL or ETL listed, suitable for Damp Location.
- ▶ We strive to make sure each finish matches the colors which appear in this catalog; however, finishes may vary due to various chemical processes and the nature of hand-craftsmanship.
- ▶ Seeded glass (both flat panel and mouth blown) is handmade and variations will occur.
- ▶ Larger size lanterns may require reinforced outlet boxes or additional support.
- ▶ Although we use the best available clear weather resistant lacquer, we cannot guarantee our exterior finishes due to extreme adverse conditions such as acid rain, ultraviolet rays, salt air, etc.
- ▶ We cannot guarantee our direct burial post due to environmental characteristics including moisture, salinity, corrosiveness and other soil and air conditions.
- ▶ The finish on our wrought iron series may be affected by direct salt water spray exposure.
- ▶ We reserve the right to make design changes and modifications without prior notification.

WARRANTY - All products in this catalog, other than our LED fixtures which has a limited Power Supply warranty (Module, PC Board Diodes and Drivers) for three (3) years, are warranted to be free of defects in material and workmanship for one (1) year from date of purchase. This warranty is limited to the correction of any such defect, or the replacement of any such defective item, provided that: (a) item(s) was (were) purchased from an authorized Minka Group® distributor; (b) we are properly notified and consent to the return of the item(s) in question; (c) the item(s) is/are returned with proof of purchase date; and (d) it is found upon inspection by us that the item(s) is/are defective as noted above. This warranty does not cover labor costs, consequential damages, nor does it apply to any item(s) that have been improperly installed, overloaded, altered, or otherwise abused by the customer, its agent(s) or employee(s).

All finishes, other than our Ever-Pro Series Outdoor product finishes which has a limited warranty for three (3) years, are specifically excluded from the terms of this warranty since they are subject to environmental and maintenance damages beyond our control. Other than the described obligation, we assume no further liability with respect to the sale or use of our products. We make no warranty, express or implied, and disclaim any warranty of merchantability or fitness for a particular purpose.

Product specifications are subject to change at any time.

GENERAL CONDITIONS - The Great Outdoors® by Minka-Lavery® may terminate its business relationship with any dealer that fails to maintain adequate stock of The Great Outdoors® product. Further, The Great Outdoors® by Minka-Lavery® may cease selling product to any dealer that sells or distributes to an unauthorized dealer for resale purposes.
