# LED

An innovator in lighting for over 60 years, George Kovacs® creates **LED** (Light Emitting Diodes) lighting that achieves beautiful light with an environmental advantage. Our **LED** lights supply illumination at a considerable energy savings over comparable incandescent bulbs while providing a life span in excess of 30,000 hours.

This green alternative to standard lighting has no excessive heat.

- Soft 3000k Kelvin **LED** Color Temperature
- Cost Savings of up to 60-70%
- Rated for 30,000 Hours of Continuous Use
- Cooler than Halogen Bulbs

Laser-cut, entwined-patterned shades serve as a stark contrast to the delicate crystal elements dangling from the interior of this collection. The crystals reflect and diffuse the rich LED illumination through the detailed patterned chrome shades.

Hang-straight swivel  
is standard on 6" to 48"

Standoffs should be placed no further than 3' apart. Measure the ceiling height and where the rail is to be situated. The rail should not be placed any lower than 7' from the floor. Use the Rail Standoff Guide below to determine which standoffs should be used. The standoffs are telescopic and come with a hang-straight swivel for higher, sloped ceilings.

RAIL STANDOFF GUIDE					
CEILING HEIGHT					
	8' to 9' Flat	8' to 9' Sloped	9' to 10' Flat or Sloped	10' to 12' Flat or Sloped	12' or Higher Flat or Sloped
STANDOFFS	Use 2 3/4" to 4" Standoff	Use 6" to 10" Standoff	Use 12" to 24" Standoff	Use 24" to 48" Standoff	Use 48" to 96" Standoff

**Telescoping Standoff Supports are available in five sizes; 2 3/4", 6", 12", 24" and 48", with telescoping range from 4" to 96" respectively.**

The measurement of the standoff is the stem only. The ceiling and rail connectors are not included in the measurement.

# DISCLAIMER

---

- George Kovacs® will warranty only product sold through authorized George Kovacs® dealers.
- Minka Group® reserves the right to use UL or ETL Listing where applicable.
- Fixtures over 50 pounds must be supported independently of the outlet box. Consult a qualified electrician/installer.
- We strive to make sure each finish matches the colors which appear in this catalog; however, finishes may vary due to various chemical processes and the nature of hand applied finishes.
- We reserve the right to make design changes and modifications without prior notification.
- Size and finish specifications on all product in the catalog are subject to slight variations due to manufacturing processes. Photographs are close representations to the actual products.
- All product and glass are inspected before packing. However, due to variations in hand applied finishes, variations due to hand blown and seeded glass, and inconsistencies in natural materials, slight variations may occur that are acceptable and meet our quality control standards.
- All portables are California Title 20 Compliant.
- Bulbs not included unless otherwise noted.
- Wattages stated are the maximum recommended; however, you may use lower wattage lamps to suit your lighting needs.
- All electrical products are rated as 120-volt, AC unless otherwise noted.
- Many of the products in this catalog have the Energy Efficient logo. This identifies lighting that uses 2/3 less energy than conventional lighting and lasts 6 to 10 times longer.

All lighting fixtures in this catalog that comply with the August 1, 2009 revision of the California Title 24 standards are marked with a Title 24 logo.

Title 24 is a document that contains the building codes for the State of California. For more information, visit [www.energy.ca.gov/title24](http://www.energy.ca.gov/title24).

**WARRANTY** - All products in this catalog, other than our LED fixtures which has a limited Power Supply warranty (Module, PC Board Diodes and Drivers) for three (3) years, are warranted to be free of defects in material and workmanship for one (1) year from date of purchase. This warranty is limited to the correction of any such defect, or the replacement of any such defective item, provided that: (a) item(s) was (were) purchased from an authorized Minka Group® distributor; (b) we are properly notified and consent to the return of the item(s) in question; (c) the item(s) is/are returned with proof of purchase date; and (d) it is found upon inspection by us that the item(s) is/are defective as noted above. This warranty does not cover labor costs, consequential damages, nor does it apply to any item(s) that have been improperly installed, overloaded, altered, or otherwise abused by the customer, its agent(s) or employee(s).

**GENERAL CONDITIONS** - George Kovacs® may terminate its business relationship with any dealer that fails to maintain adequate stock of George Kovacs® product. Further, George Kovacs® may cease selling product to any dealer that sells or distributes to an unauthorized dealer for resale purposes.
