**PENDANTS**

PROJECT

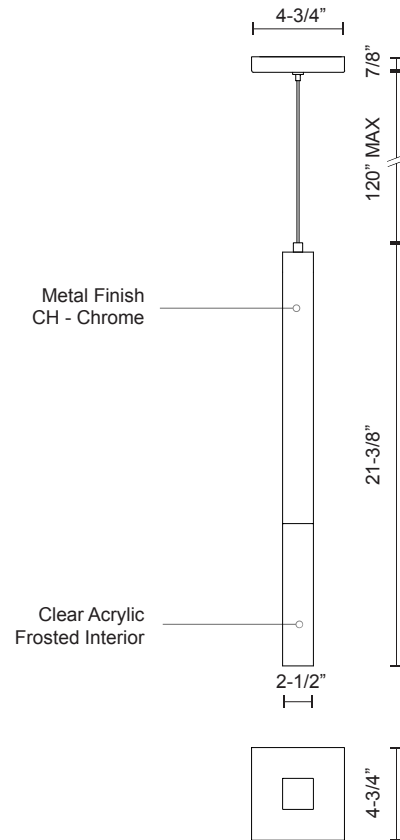

**DESCRIPTION**

Hanging from a single canopy point, this pendant uses man-made and natural elements to exude a dramatic vibe; a polished chrome bar with a quartz-like acrylic middle segment hangs on its own – or use in multiples, arranged according to the design of your dreams. As the LED light shines through the diffused acrylic crystal-like segments its clean angles and edges are highlighted.

**SPECIFICATION DETAILS**

\* For custom options, consult factory for details.
