

DESCRIPTION

A modern take on a vintage lamp post, the Brixton collection is the perfect mix of nostalgia and minimalism. The globes inspire as they dance around atop modern frames in gardens or walkways in which they sit. The illumination mimics natural moonlight when diffused, creating an unmatched ambiance in any outdoor setting. Garden spike comes standard. Optional Hardscape canopy and concrete pour anchor sold separately. Compatible with all outdoor 12V AC transformers (supplied by others).

SPECIFICATION DETAILS

* For custom options, consult factory for details.
