# WARNINGS AND CAUTIONS

- Make sure POWER is COMPLETELY OFF at the fuse box
- Have your fixture installed by a qualified licensed electrician
- Prepare everything in a clear area
- Wear gloves at all times during this installation
- · Read instructions carefully before you start assembly
- Keep this installation sheet for future reference

### NOTICE

- The important safeguards and instructions outlined in this sheet cannot cover all possible conditions and situations that may occur. It must be understood that caution and certain care factors must be followed. These instructions are provided for your safety and we highly recommend that a licensed, trained electrician install this unit.
- This fixture is designed to be mounted on a correctly installed standard round
  or octagon box OR through a wiring box with a plaster frame. The box must be
  securely mounted to the structure of the building. The crossbar and hardware
  supplied should be used, directly mounting the fixture to the outlet box may
  make it impossible to correctly align the fixture.

#### **ASSEMBLY INSTRUCTIONS**

#### Step 1

Remove fixture from its original package.

#### Step 2

Separate mounting plate (1c) from fixture (2a) by removing fixture screws (2b).

# Step 3

Attach mounting plate (1c) to electrical junction box (1a) using junction box screws provided (1e) in hardware package.

#### Sten /

Secure mounting plate (1c) to mounting surface with anchors (1f) and screws (1g).

### Step 5

Make proper electrical connections (black to hot "L", white to neutral "N", ground to "GND") with wire nuts (1b) provided in hardware package.

#### Step 6

Install the recommended lamp (4a) (not provided) (referred on the socket label for maximum wattage and type) to fixture socket.

## Step 7

Angle alabaster (3a) and insert partway through bottom slot on fixture (2a) (See Illustration 1, Step 1). Straighten alabaster (3a) (Illustration 1, Step 2) and push upwards towards upper fixture slot (See Illustration 1, Step 3) and secure with bottom cover (3b) and screws (3c).

## Step 8

Attach fixture (2a) to mounting plate (1c) with fixture screws (2b).

You are now ready to enjoy your fixture.
