

moon dance outdoor flush mount

DESCRIPTION

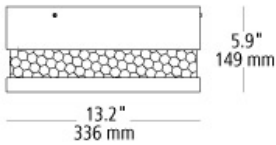

Hand-carved decorative features inspired by the moon's dimpled surface encompass the circumference of the hand-blown glass. The cylindrical metal reveal creates a clean, contemporary look while a wonderfully soft glow is achieved as downlight passes through the acid-etched, matte glass surface. Incandescent includes (2) E26 medium base 75 watt or equivalent A19 lamps; LED (1) 21 watt 1800 lumen 3000K LED module. 120v or 277v.
