

vitra horizontal led brick light

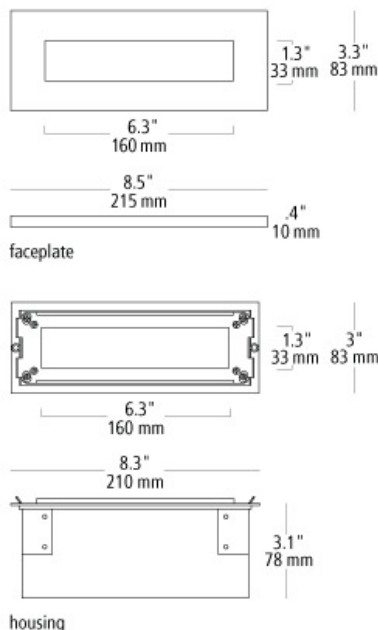

DESCRIPTION

Vitra Horizontal LED Brick Light from LBL Lighting provide a perfectly balanced blend of the latest LED light guide technology. Small form factor, die-cast metal and premium finishes ensures enduring aesthetic appeal while being backed by a five-year warranty. LED includes 8.6 watt 300 lumen 90 CRI 3000K LED module. Dimmable with a low-voltage electronic dimmer. Turtle light version FCA compliant. May be used in interior and exterior applications. IP-65 rated. Installs into brick or poured concrete using included metal housing and require a minimum depth of 3.1". Interior/dry wall installation requires optional Hanger Bar Installation Kit #BL94018. ADA compliant.

WEIGHT
