

lania flush

DESCRIPTION

The Lania ceiling light by LBL Lighting features brass wire crafted into a honeycomb pattern that is pressed in a custom mold, into which clear glass is hand-blown and later textured to create a unique, layered effect. Thereâ€™s a rustic yet refined quality about this design that will nicely accent a whole host of interior decor whether industrial, country casual, eclectic transitional, urban chic or contemporary. Perfect for hallway lighting, dining room lighting, bedroom lighting, foyer lighting and bathroom lighting. The mounting has a Satin Nickel finish. Four other light fixtures are available with the same Lania styling: two cylindrical pendant lights, a drum pendant light and a wall sconce light. Damp-rated and dimmable, the Lania ceiling light is 6â€ high and 13â€ in diameter. Available with or without lamp. (2) E26 medium base sockets 60w max. LED version includes (2) 6.5 watt 885 total delivered lumens 80CRI 2300K LED ST19. Dimmable with a low-voltage electronic dimmer. 120v.
