

**crossblend pendant**

**DESCRIPTION**

Perforated with a random geometric pattern around the lower perimeter, the metal shade of the Crossblend pendant light by LBL Lighting allows light to shine through, creating a striking effect. The classic cylindrical shade silhouette is wholly updated with this unexpected treatment while still maintaining a tailored look and ubiquitous styling that is versatile enough to complement a wide array of contemporary settings. It's a perfect lighting choice to be installed over each end table in a sleek bedroom, or in a grouping shining down light on a kitchen island or in a large series above, lighting cocktail tables in a hotel lobby. The Matte White finish is echoed in the canopy and cloth cord. Damp-rated and dimmable this pendant light's dimensions are 13" high and 6" in diameter. Includes 8' of field-cuttable cable. Available with or without lamp. E26 medium base socket 75w max. LED version includes (1) 11 watt 622 delivered lumens 80CRI 2700K LED A19. Dimmable with a low-voltage electronic dimmer. 120v.
