

lania wall

DESCRIPTION

The Lania wall sconce light by LBL Lighting features brass wire crafted into a honeycomb pattern that is pressed in a custom mold, into which clear glass is hand-blown and later textured to create a unique, layered effect. There's a rustic yet refined quality about this design that will nicely accent a whole host of interior decor whether industrial, country casual, eclectic transitional, urban chic or contemporary. Perfect for hallway lighting, dining room lighting, bedroom lighting and bathroom lighting. The circular backplate has a Satin Nickel finish. Four other light fixtures are available with the same Lania styling: two cylindrical pendant lights, a drum pendant light and a ceiling light. Damp-rated and dimmable, this lighting fixture is 13.2" high and 4.9" in diameter with an extension of 3.9", making it also ADA compliant. Available with or without lamp. E12 candelabra base socket 25w max. LED version includes (1) 2 watt 137 delivered lumens 90CRI 2200K LED T6. Dimmable with a low-voltage electronic dimmer. Can be mounted up or down. ADA compliant.
