

tae 5 chandelier

DESCRIPTION

The Tae chandelier by LBL Lighting features a modern yet industrial style. With exposed hanging bulbs and unadorned frame, the Tae is ideal for a wide range of lighting applications including urban loft settings, foyers and conference room spaces. Further enhancing the raw and industrial beauty of the Tae is the Black with Aged Brass socket frame color. This customizable chandelier is available in either a circular or square shape and is one of four in the Tae family. Simply search for the Tae 5-Light chandelier to find its closest relatives. The Tae is compatible with any Medium Base lamp. Includes 10' of field-cutable cable. Available with or without lamp. (5) E26 medium base sockets 60w max. LED version includes (5) 3.5 watt 1750 total delivered lumens 90CRI 2700K LED ST19. Dimmable with a low-voltage electronic dimmer. 120v.
