BOTTOM FREEZERS

Bottom Freezer Refrigerators Have Always Been About Convenience

Having the fresh food section above the freezer, bottom freezer refrigerators put the food you use most at eye level. This unique bottom refrigerator is ideal for any home or office that enjoys performance, organization and design in a compact size.

Electronic Temperature Controls

Provides precise temperature control in the refrigerator and freezer sections.

Multi-Air Flow Cooling

Designed with vents on every shelf for even air distribution and longer-lasting food freshness.

Quick Freezing Drawer

Allows for twice as fast freezing time to lock in freshness.

Counter Depth

Models meet the edge of 24" counters (without the door) for a seamless look.

Warranty

ONE OF THE BEST IN THE BUSINESS

- One year on parts and labor
- Seven years on the sealed system
