

ELECTRIC DRYERS

Graphite Steel

DLEY1701V

*Ultra Large Capacity Steam Dryer
with Front Control Design*

Performance

- 7.3 cu.ft. Ultra Large Capacity with NeveRust™ Stainless Steel Drum

Intelligent Fabric Care

- Steam Technology
- SteamFresh™ Cycle
- Wrinkle Free Cycle
- Sensor Dry System for Intelligent Fabric Care and Energy Efficiency
- Precise Temperature Control with Variable Heat Source
- SmartDiagnosis™
- 12 Drying Programs
- 5 Temperature Settings
- 3 Minute Installation Check
- FlowSense™ Duct Clogging Indicator
- Wrinkle Care Option
- Rack Dry Option
- Anti-Bacterial Cycle
- Custom Program
- Damp Dry Signal

Style and Design

- Front Electronic Control Panel with LED Display
- Touch Buttons
- Chrome Edged Diamond Glass Door
- Reversible Door

Technology Benefits

- LoDecibel™ Quiet Operation

ELECTRIC DRYERS

The Refreshing Power of Steam

There's no clean like a steam clean. Our **Steam Technology** gently but powerfully penetrates fabrics to virtually eliminate dirt, odours and wrinkles.

Front Control Design

LG puts a modern spin on the traditional top load design. By moving the control panel from the back to the front, the buttons and LED display are **easier to read and use**. This simple change makes for a more intuitive and functional design and a look that is unlike anything you've ever seen.

Dry Big Loads

Do laundry a little less often. With **7.3 cu.ft. Ultra Large Capacity**, this dryer handles really large loads, saving you time and energy.

Accurate Drying

LG's **Sensor Dry System** measures the moisture levels during the cycle and automatically adjusts the drying time, assuring you get dry laundry every time.

Call, Connect, Resolve

SmartDiagnosis™ uses self-diagnosing technology that can communicate 24/7 with LG customer service over the telephone providing you with comfort and reliability.

Keep it Quiet

There's no need for laundry to be noisy. Thanks to LG's **LoDecibel™ Operation**, chances are you'll never even notice it.
