

WT1701C_

THE CAPACITY FOR QUIET POWER.

Big loads don't have to be loud loads. At 5.0 cu. ft. capacity, LG's mega capacity top load washer handles your largest loads with ease—and with twice as many dynamic suspensions and the world's first horizontal anti-vibration system, LG's TrueBalance™ Plus ensures those loads stay smooth and quiet. Whether fast-forwarding your laundry with LG TurboWash™, deep cleaning with WaveForce™ technology or killing 99.9% of bacteria with Oxi-Sanitize cycle, you can count on capacity and quiet performance, all wrapped up in LG's sleek, stylish front control design.

SPECIFICATIONS

- 5.0 cu. ft. Extra Large Capacity with NeveRust™ Stainless Steel Drum
- Direct Drive Motor with 10-Year Limited Warranty
- 1,100 RPM
- 12 Washing Programs

- LoDecibel™ Quiet Operation
- SenseClean™
- Delay Wash (Up to 19 Hours)

STYLISH DESIGN

- Front Electronic Control Panel with LED Display
- Touch Buttons
- SlamProof™ Diamond Glass Lid

Mega Capacity

Looking for a washer that fits more laundry in fewer loads and still fits your space? LG's got you covered. With **5.0 cu. ft. capacity**, LG's mega capacity top load washer is right at home in the space of a regular washer. So you can fit more, wash less and get back to more important things.

TurboWash™ Technology

Tired of spending hours on end finishing your family's laundry? Now, those days are gone. LG's revolutionary **TurboWash™ technology** allows you to save up to 20 mins on larger loads, with outstanding cleaning performance! It's like pressing the fast forward button on your laundry.

Front Control Design

LG puts a modern spin on the traditional top load design. By moving the control panel from the back to the front, the buttons and LED display are easier to read and use. This simple change makes for a more intuitive and functional design and a look that is unlike anything you've ever seen.
