

RO 510 Premium

24" Outdoor Beverage/Cooler

Liebherr's compact 24" outdoor undercounter beverage/wine cooler is the ultimate barbecue and entertainment accessory. It offers a convenient for place barbecue supplies, condiments, and beverages such as wine, beer, and soft drinks—allowing you to have all your ingredients within reach without compromising your design aesthetic. The appliance temperature can be set from +36°F to +68°F and operates perfectly within ambient temperatures from +50 °F to +110 °F. The unit has three glass storage shelves with stainless steel trim and two door racks (one adjustable) with elegant retainers. Bottles fit effortlessly in specially designed grooves on the unit floor. This model is designed to weather the outdoor elements, featuring a stainless steel exterior to protect against corrosion. Because of its sophisticated look with stainless steel surround, it can also be used indoor and in bar and kitchen settings, adding style to your home decor.
