## FEATURES & SPECIFICATIONS

### INTENDED USE

Provides general illumination in residential and light commercial applications. Ideal for use in workshops, utility rooms and garages

### CONSTRUCTION

The shoplight's 5-1/2" white reflector provides a wide spread illumination. Fully assembled, ready-to-install. Comes with 5' power cord - no wiring required. Supplied with (2) "S" hooks and (2) 9-1/2" chains for no-hassle installation.

### OPTICS

Utilizes (2) 40W, 34W or 25W linear T12 fluorescent lamps for energy efficiency. (not included)

### ELECTRICAL

Standard with low-power factor magnetic ballast (120 volt, 60Hz).

### LISTINGS

CUL listed to US and Canadian safety standards and suitable for damp locations.

### WARRANTY

2-year limited warranty. Complete warranty terms located at [www.acuitybrands.com/CustomerResources/Terms\\_and\\_conditions.aspx](http://www.acuitybrands.com/CustomerResources/Terms_and_conditions.aspx)

**NOTE:** Actual performance may differ as a result of end-user environment and application. Specifications subject to change without notice.
