

FMLWL LED Multipurpose

Linear LED ambient wraparound lighting

Linear LED Ambient Wraparound Lighting

Key features and benefits

The FMLWL LED Wraparound by Lithonia Lighting® provides efficient and economical ambient lighting in surface-mount applications. The stylish, low-profile linear wrap delivers up to 50,000 hours of energy-saving LED lighting with widespread, even illumination. With simplified installation and a durable polycarbonate lens, the versatile FMLWL is perfect for a wide variety of commercial, versatile and residential applications.

FMLWL LED Wraparound

Getting the most of 1 SKU

Adjustable Light Output (ALO)

Output switches to desired light output (low-medium-high) to match the needs of any job site and saves significant energy costs when replacing traditional fluorescent sources.

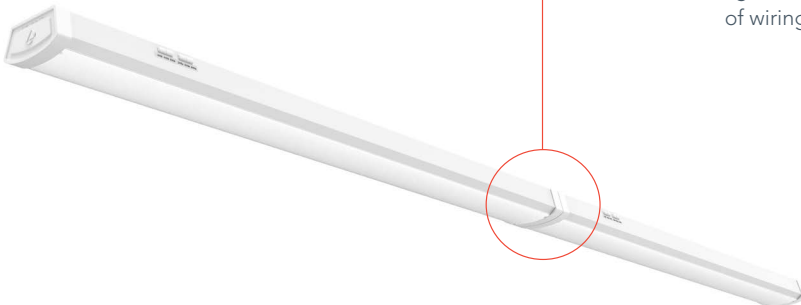

Color Switching

Three (3) switchable white color temperature options. Simply adjust the color temperature from warm white (3000K), cool white (4000K), and daylight (5000K) allowing customization for your space.

Links End-to-End

To power up to 6 units, or up to 24 feet of continuous light, from a single power source. Reduce the amount of wiring and labor resulting in faster installation.
