

Basics™ Edge-Lit Exit Sign

High-End Look, Economical Price Point

Introducing Basics™ Edge-Lit

The Basics™ Edge-Lit Exit Sign from Lithonia Lighting provides a high-end aesthetic at an economical price point. Available in two versions, a surface mount and universal mount version, making it simple to choose the right exit sign for the space. The exit sign's panel pivots 0-180° to fit any mounting orientation and offers an internal switch for AC or Battery Back-Up (EL) for added flexibility.

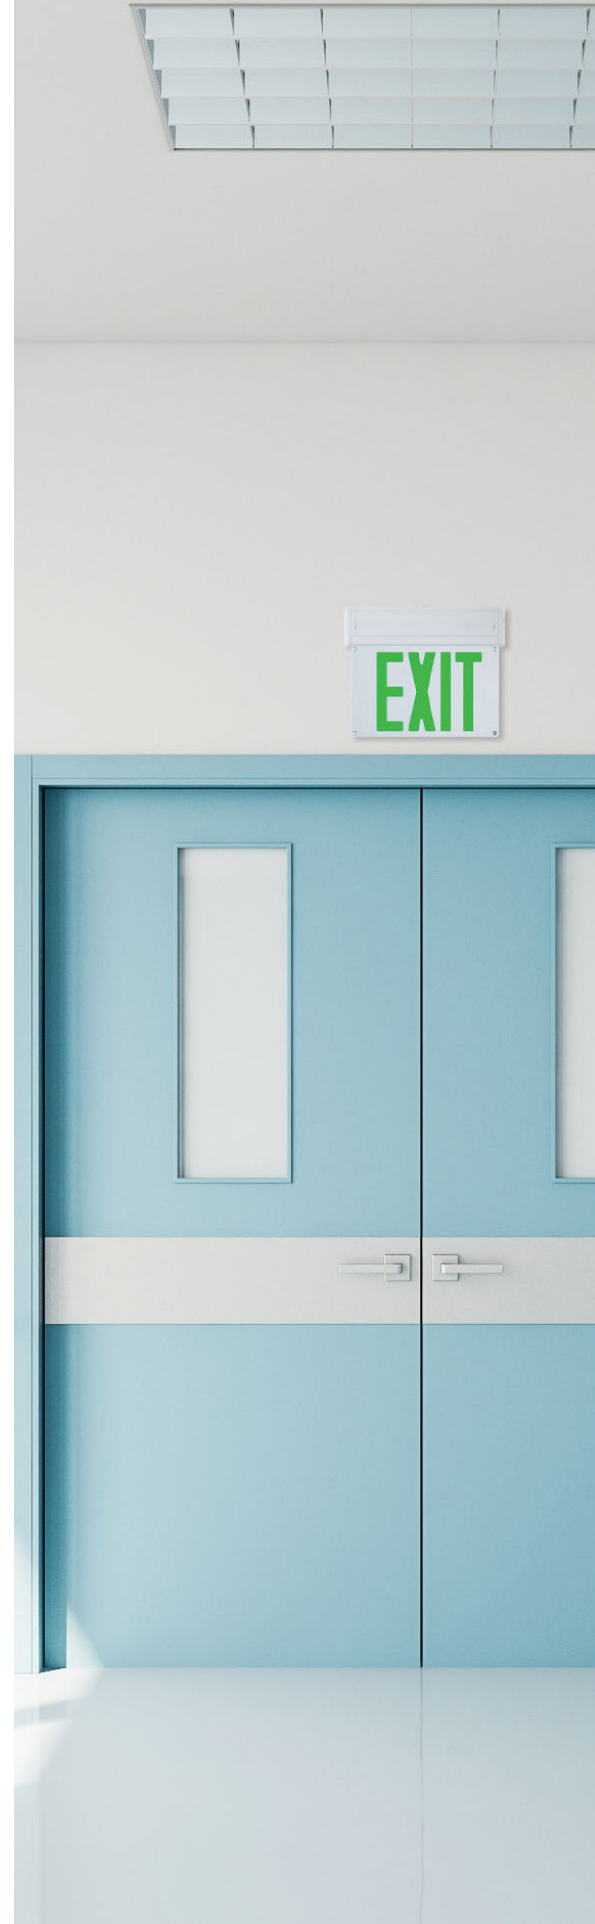

Perfect for:

Schools

Hospitality

Commercial Spaces

Hospitals

Most Economical Surface Mount

Ships as double sided sign standard with solid mirrored back plate included for single sided applications.

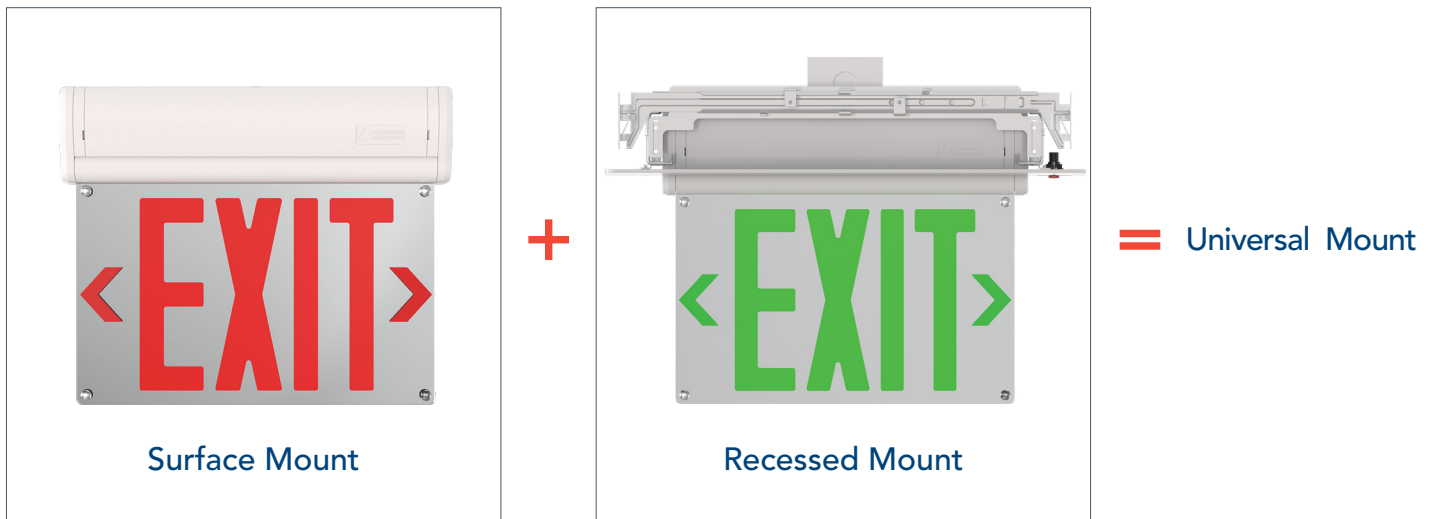

Pivoting Panel can adjust 0-180 degrees, making it perfect for any surface mounting orientation.

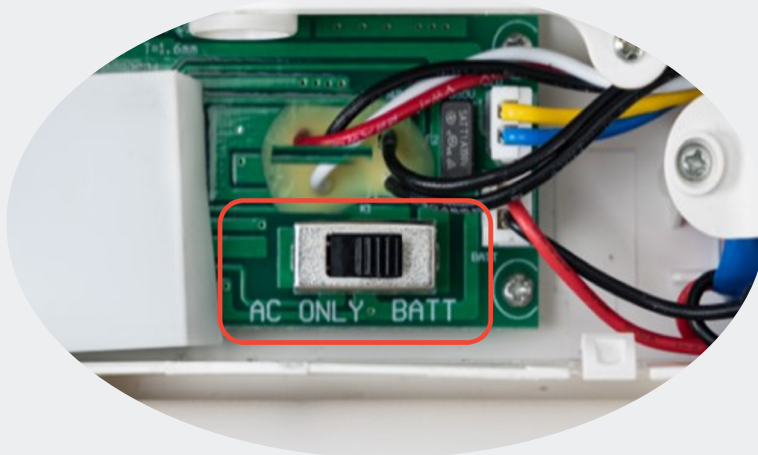

Ceiling, Wall or End Mount

Most Versatile Universal Mount

Many applications require multiple mounting types -- Universal Mount gives the ability to choose your mounting type with only one SKU!

Internal Battery Switch

Feature

- Includes both AC and Battery Back-up (EL) in one

Benefit

- SKU reduction opportunity for the Distributor
- Simplifies Contractor's ordering and planning for jobs
- Eliminates the need to choose between AC or Battery Back-up (EL)

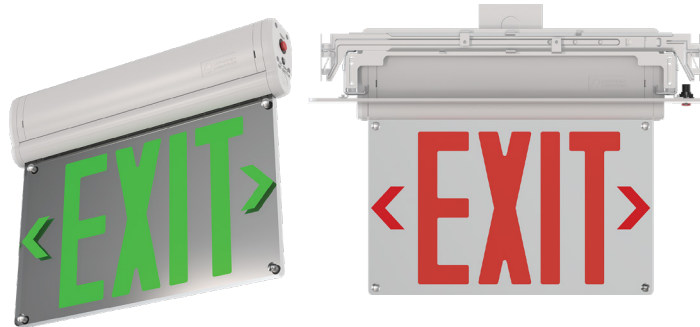

Simple Selection

Two versions available to meet your needs!
