Indoor Decorative

# Elliptis Semi-Flush Mount

Fluorescent

## FEATURES & SPECIFICATIONS

### INTENDED USE

Provides general illumination in residential applications. **If required for commercial application or operation more than eight (8) hours per day, consult factory for available options.** Ideal for use in foyers, hallways, bedrooms, offices, utility work areas, stairways and many other rooms in the house.

### ATTRIBUTES

The Elliptis family is designed around an elliptical shaped glass featured prominently in the chandelier, sconce and vanities. Straight, clean lines define the contemporary, modern design of this family. Polished brushed nickel is gorgeously balanced with ribbed, cased opal glass.

Large model includes (1) 55W 2C T6 2700K fluorescent and small model includes (1) 18W compact short spiral 2700K fluorescent for energy efficiency, superior color rendering and long life.

Standard with electronic ballast (120 volt, 60Hz) ensures no flickering and quiet operation without interfering with other home electronics.

For use with non-dimmable switches only.

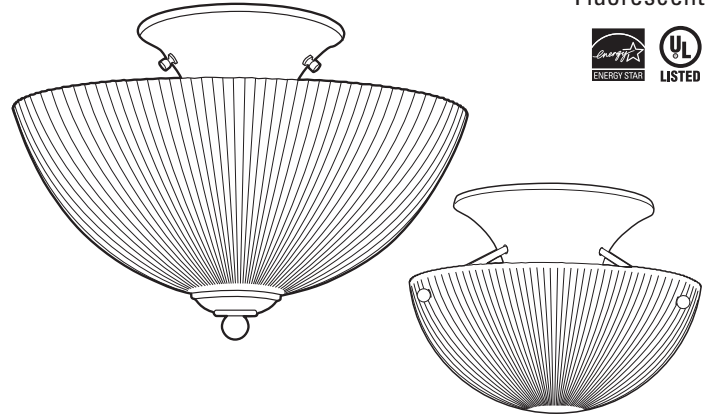

All mounting hardware included.

### LISTING

UL listed to US safety standards and suitable for damp locations. ENERGY STAR® qualified.

### WARRANTY

Guaranteed for two years against mechanical defects in manufacture. (excludes lamps)
