Indoor Decorative

Linon Half Round Sconce

Compact Fluorescent

Note: Energy Star certification is for 120V only.

FEATURES & SPECIFICATIONS

INTENDED USE

Provides general illumination and style for commercial and light commercial applications. Ideal for hospitality applications, the Linon Half Round Sconce can be wall mounted in hallways, reception areas, conference rooms, bathrooms or any other public space.

ATTRIBUTES

The black bronze exterior is softened by the textured linen diffuser. Clean lines portray simple elegance to fit almost any décor.

Includes (1) 18W compact quad tube 2700K fluorescent lamp for energy efficiency, superior color rendering and long life.

Standard with multi-volt ballast (120/277 volt, 60Hz) ensures no flickering and quiet operation without interfering with other electronics.

For use with non-dimmable switches only.

All mounting hardware included.

LISTING

UL listed to US safety standards. ENERGY STAR® qualified at 120V only.

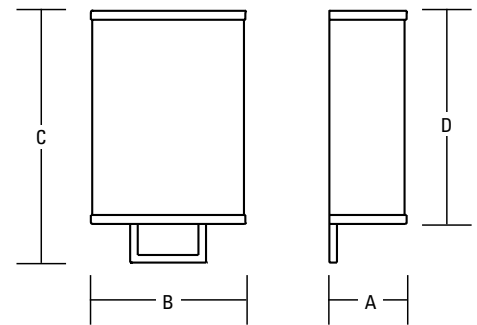

WARRANTY

Guaranteed for two years against mechanical defects in manufacture. (excludes lamps)
