Outdoor General Purpose

Multi-Mount Square Flush Mount

Incandescent

FEATURES & SPECIFICATIONS

INTENDED USE

Provides general illumination for outdoor ceiling or wall applications in residential and commercial applications. Ideal for creating an inviting exterior space as well as providing safety and security.

ATTRIBUTES

Ideal for general illumination, the clear polycarbonate prismatic lens protects against the elements. Neoprene gaskets seal out moisture and contaminants. Can be ceiling or wall mounted.

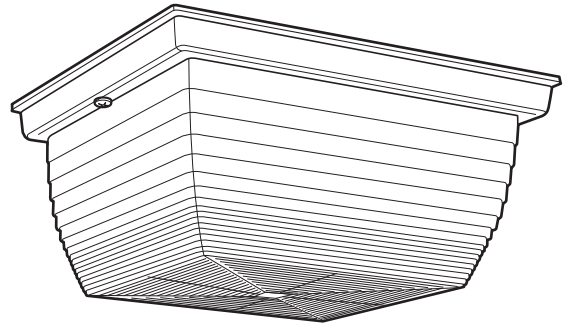

Utilizes maximum (1) 150W incandescent lamp (not included).

LISTING

CUL listed to US and Canadian safety standards and rated for wet locations.

WARRANTY

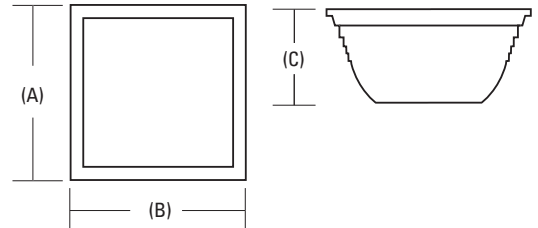

Guaranteed for one year against mechanical defects in manufacture.
