Indoor Decorative

Blackwell Chandelier

CLASSIC COLLECTION

Compact Full Spiral Fluorescent

FEATURES & SPECIFICATIONS

INTENDED USE

Provides general illumination and style for residential and light commercial applications. Suspended from ceiling, ideal for use in dining areas, foyers, bedrooms or in a living room grouping.

ATTRIBUTES

Simplistic form is complemented by the dark, black-bronze finish which creates the illusion of wrought-iron. The Blackwell Chandelier is available in a five light configuration and is offered with a crisp, white glass diffuser. The diffuser provides a widespread even illumination and is suspended by matching support rods, chain (adjustable up to 36" - 5 light) and canopy. Ringnuts allow for easy cleaning and maintenance.

Includes (5) 13W compact integrated spiral 4-pin 2700K fluorescent lamps for energy efficiency, superior color rendering and long life.

Standard with electronic ballast (120 volt, 60Hz) ensures no flickering and quiet operation without interfering with other home electronics.

For use with non-dimmable switches only.

All mounting hardware included.

LISTING

CUL listed to US and Canadian safety standards and suitable for damp locations. ENERGY STAR® qualified.

WARRANTY

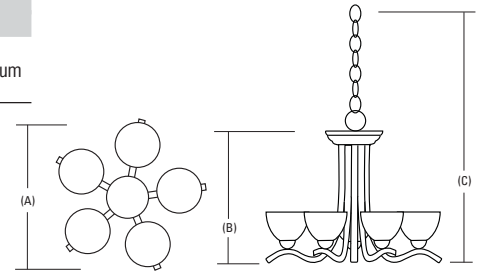

Guaranteed for two years against mechanical defects in manufacture.
