FEATURES & SPECIFICATIONS

INTENDED USE

Provides accent illumination that visually expands the space and creates a relaxing atmosphere in residential and commercial applications such as hospitality, educational, health care and circulation areas. Provides general illumination in residential applications. **If required for commercial application or operation more than eight (8) hours per day, consult factory for available options.** Ideal for use in hallways, stairways, dining areas, foyers, offices and meeting rooms.

Distinctive traditional style fixture with satin-etched, swirled white glass shade, mounted on a black bronze or polished brushed nickel finished socket housing and matching decorative support arm/canopy. The shade provides a widespread uniform illumination.

Includes (1) 13W compact full spiral 2700K fluorescent lamp (for energy efficiency, superior color rendering and long life) with integrated 120V 60Hz electronic GU 24-pin base ballast (ensures no flickering and quiet operation without interfering with other home electronics).

For use with non-dimmable switches only.

All mounting hardware included.

LISTING

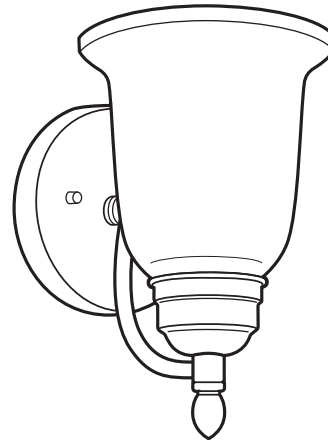

UL listed to US safety standards and suitable for damp locations. ENERGY STAR® qualified.

WARRANTY

Guaranteed for two years against mechanical defects in manufacture. (excludes lamp)

Indoor Decorative Sheffield Sconce
