

Outdoor Living Water Features & Pond Products

Liners

Pond liners are designed from strong, puncture resistant material that allows for the customization of any water feature. Both Firestone 45-mil EPDM and our 20-mil PVC are flexible and safe for aquatic life too.

LINER	Item Number	Dimensions	Gallons	Advantages
SLB 10' X 15'	566503	10' x 15'	750	<ul style="list-style-type: none"> Individually cut and boxed Should be protected from sunlight when installed
