

For your craft, THE CHOICE IS CRYSTAL CLEAR.

CrystalCraft™ Premier is a clear, individually formed, 1.5" ice cube, designed to melt slowly and let your handcrafted creations shine.

USE0050A-161

Featuring a sleek, compact design, that also produces up to **45 pounds or over 300 cubes per day** and 25 pounds storage, this undercounter unit is the perfect solution for the most discriminating operations.

Designed with fewer moving parts and backed by Manitowoc's **three-year parts and labor warranty**, you can be confident in your investment.

Membrane touch pad interface provides simple functionality for busy operators and owners.

Crystal clear ice is assured with an on-board **integrated water filter**.
