**PREMIUM RTA INSET CABINETRY**

# INNOVATION

Maplevilles Cabinetry began with a simple idea in mind - to bring innovative products to the market. As a staple for specialty cabinets, we have developed and stock unique cabinets that are not offered anywhere else.

Inspired by the love of fine cabinetry, Maplevilles Cabinetry focused on innovation and developed a line of premium RTA inset cabinets.

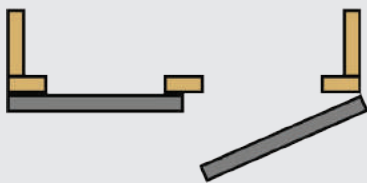

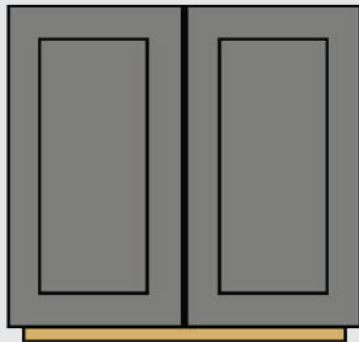

Featuring high-quality birchwood faces, 5/8" premium plywood boxes, and soft-closing hardware standard, our inset cabinetry line is not only beautiful but durable.

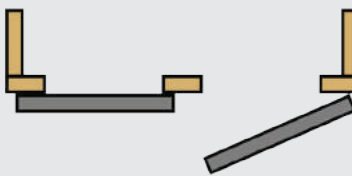

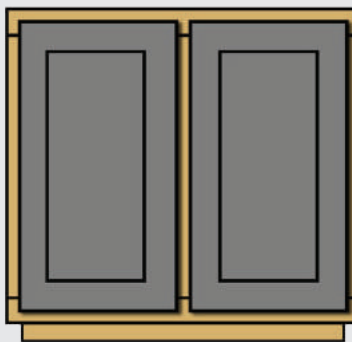

# PREMIUM INSET CABINETS

Inset cabinetry is classic, modern, and unique all the same. Featuring a distinctive design, inset cabinetry doors and drawers sit flush inside the face frame. This unique composition creates a simple elegance - providing clean lines and evokes fine craftsmanship - completely transforming the look of a kitchen.
