ARTISTIC REFLECTIONS™

Artistic Reflections™ combines a translucent glaze with an undulated surface, creating a handcrafted structure. A color pallet of four neutrals, in both matte and glossy finishes, along with four trend-setting jewel tones in a glossy finish, elongated tile sizes in both 2x10 and 2x20, and a coordinating hexagon mosaic add dimension and visual interest. Whether the preferred style is classic, edgy, modern, or mixed and matched to create an eclectic feel, Artistic Reflections seamlessly fits within a multitude of design trends.

NOTES

Since there are variations in all fired ceramic and natural products, tile and trim supplied for your particular installation may not match samples. Final confirmation should be made from actual tiles and trim prior to installation. Manufactured in accordance with ANSI A137.1 standards.

Not for use on ramps. Water, oil, grease, improper drainage and certain footwear can create slippery conditions. Floor applications expected to be exposed to these conditions require extra caution in product selection.

For additional information refer to "Factors to Consider" at: marazzitile.com/Factors.

Special consideration needs to be given when installing tiles greater than 15 inches. Please refer to marazzitile.com/LargeTiles for more information.

Special care should be taken when grouting with dark pigmented colors. A grout release is recommended to prevent finely powdered pigments from lodging in the pores of the surface. Use of a latex modified thin-set is recommended for installation.
