## **Matthews Fan Company**

### Mission Statement

Since 1992, Matthews Fan Company has been crafting premium-quality ceiling fans and wall fans that combine high design with functionality for indoor and outdoor. Renowned for their whisper-quiet motors, solid wood blades, and iconic style that blends vintage with modern, Matthews fans are hand-designed, hand-tested, and built for efficiency, longevity, and versatility. Whether enhancing dream spaces for discerning homeowners or providing timeless, high-design solutions for interior designers, Matthews Fan Company sets the standard in stylish and premium ceiling fan craftsmanship.
