

SCROLL

Softly rolled aluminum does not quite meet at the center, leaving an opening to allow light to escape from its top and bottom, visible all along its center. The Scroll series comes in our Architectural Bronze finish with a white interior to better reflect light and create an interesting light pattern on the wall. Suitable for both indoor and outdoor applications.

- Indoor and Outdoor Applications
- Die Cast aluminum and aluminum frame
- Architectural Bronze finish with White Inside
- 3000K Color Temperature, CRI 90+
- T24 for outdoor use
