

MACAU 7PC DINING SET

FEATURES

- Miseno only uses the best industry materials starting with the aluminum frame. This frame is lightweight, resists moisture damage and requires minimal care. This material is ideal for outdoor use because it will not rust.
- Miseno outdoor furniture is covered under a Five Year Limited Warranty.
- The flat wicker material used is UV rated to last up to 3000 hours from sun exposure.
- The high quality 30D foam used in the cushions is a heavier firmer foam to provide more support and hold the shape for a longer period of time.
- The Sunbrella fabric is flame, mildew, and stain resistant. The color saturated fabric is resistant fading as well.
- All hardware required for installation is included
