

## Installation Instructions

**Notes:** We recommend that you rough-in the drain and water lines after receiving the unit.  
 The vanity should be installed by a professional plumber.  
 Drainer pipe and trap are not included.  
 If you experience any difficulties with this product, do not return to the point of purchase. Please contact MISENO directly at [infoservice@miseno.com](mailto:infoservice@miseno.com), and we will help resolve your issue.
