

LINE-HIDE

Lineset Cover System

Put a professional finish on air conditioning installations with an easy-to-install modular system that covers and protects linesets, drainlines, and wiring, as well as beautifies exteriors.

A large, empty grid of small squares, intended for sketching a project and determining the quantities of Line-Hide pieces needed.

Use the space above to sketch out your project, and determine which Line-Hide pieces you'll need in what quantities.
