ABBIE

H1040701-AGB/SBQ

Pairing the wispy artistry of cloud glass with the rough, natural texture of jute rope, the Abbie family strikes a balance between delicate and course, earthy and ethereal. While the sconce silhouette is simplified, the pendant recalls a medieval globus cruciger with an Aged Brass cuff encircling its center. The top half of the pendant has a painted finish, adding another layer of interest. Both fixtures exude a sense of antiquity and yet, appeal to modern senses with clean geometry and mixed materiality. Part of our Mandy Cheng collection.
