Dimensions

Specifications

- 6-speed, reversible DC motor
- Die cast and extruded aluminum construction
- 52" span, injection-molded ABS blades
- Pre-configured with a 4" down rod (longer options also available)
- Optional LED light: 7W, 90 CRI, 3000K, 500 lumens (dimmable), GU10 base; CA Title 24, JA8-2019 compliant
- For flat ceilings only
- Designed by Jorge Pensi
- ETL listed for dry and damp locations
- Weight: 16.0 lbs (7.3 kgs)

Performance Data

LOWEST SPEED

RPM: 45
CFM: 1,445
Watts: 2.35
CFM/W: 615

HIGHEST SPEED

RPM: 170
CFM: 7,020
Watts: 26.56
CFM/W: 264

Energy Guide Data

Average Energy Use
19 Watts

Average Airflow
4,407 CFM

Yearly Energy Cost
\$5

Average Efficiency
235 CFM/Watt

Energy Guide Data represents weighted averages of low speed and high speed performance, assuming typical use (excluding light). For more information, visit www.modernfan.com.

PENSI DC CONTROLS

Our DC fan controls use RF transmission to a receiving unit included with each fan, providing six speeds, reversing and light function (on/off or dimming). Includes universal or dedicated channel selection and master power switch on wall control (if ordered). Control selection is made at time of order and incorporated into fan item number.

Wall Control (WC)

Remote Control (RC)

Wall/Remote Combo (CC)

* The Pensi DC fan must use one of the above control options. Third party fan controls are not compatible with this product. The Remote Control (RC) can be used in combination with a standard power switch (on-off) in wall box.

** For ordering guidance to replace lost or damaged control components or to add secondary control to existing control sets (e.g. to add a handset to an existing wall control system), contact Modern Fan Co. customer support.

DOWN RODS

The Pensi DC ships standard with a 4" down rod. Use the following part numbers to order accessory down rods.

Finish	Length
#DRP -	-
GW Gloss White	11 11" for 24" OAL
AA Anthracite	23 23" for 36" OAL
	35 35" for 48" OAL

Note: The Pensi DC fan is suitable for installation on flat ceilings only.
