**PRODUCT DESCRIPTION**

Sleek and striking. Modern lighting designed at just the right angle. This low-profile wall sconce projects a blade of light on the wall behind to feature its own silhouette and a second blade cast downward to light the path below. Defined by an angular upright, Mako enhances both interior and exterior locations as a wet listed, ADA Compliant architectural luminaire. Customize your color temperature from three choices.

**FEATURES**

- Driver concealed within the canopy
- Down and indirect illumination
- Built in color temperature adjustability. Switch from 3000K/3500K/4000K
