

Weldlok®

Cost Effective Standard Performance

Weldlok® is the Mohawk Group’s standard broadloom backing system specifically designed for commercial applications. The Weldlok backing is laminated to our products utilizing a commercial thermoset adhesive. This adhesive is designed to encapsulate and penetrate the carpet back stitch in the main application coat, while the second application coat secures the secondary backing to the carpet substrate for a cost effective performance standard.

PERFORMANCE

- Standard backing specifically designed for commercial applications
- Excellent pattern match capabilities
- For use with direct glue or stretch in installations
- 10 Year Limited Warranty
- Excellent choice for most commercial environments

BUDGET

- Standard performance backing system for the most budget conscious projects

SUSTAINABILITY

- Recycleable
- Minimum of 36% Pre-Consumer Recycled Content
- May contribute to or comply with LEED credits MR 4.0, MR 5.0, IEQ 4.3 and innovation credit for NSF 140
- Certified Gold in accordance with NSF / ANSI 140
- Certified low VOC's under CRI Green Label Plus Program
- Compliant with LEED EQ 4.1 low VOC emitting when installed with Mohawk Group recommended adhesive and seam sealer

- Declare label and HPD information available

SERVICE

- Products available through Quickship offering (up to 2,000 square yards within 10 business days).
