GENERAL TERMS AND CONDITIONS

Mohawk Luxury Vinyl Flooring is warranted as indicated above in continuous climate controlled interior environments. The following general terms and conditions apply. If you have questions regarding the warranty information, please contact your retailer or Mohawk sales representative.

1. These warranties apply only to the original owner and the first installation of the product and are non-transferable. The “original owner” is the person stated as the buyer on the purchase document(s).
2. Mohawk will, at its option, repair or replace product not meeting the above listed warranties according to the proration schedule set out below. When replacement of the flooring is made, only new material from the current product range at the time of the claim will be supplied by the distributor or retailer. If the product was originally professionally installed, Mohawk will evaluate additional costs associated with any defective product.
3. Mohawk’s responsibility under these warranties only applies to hidden defects that were not visible before or during the installation of the Mohawk Luxury Vinyl Flooring. Material installed with visible defects is considered accepted by the owner.
4. These warranties do not apply to Mohawk Luxury Vinyl Flooring that has been subject to abnormal use or conditions or abused in any way. “Abnormal use or conditions” includes but is not limited to damage from plumbing or appliance leaks, storm, or flood; damage from smoke, fire, or other casualty events; damage caused by negligence or improper alterations of the original manufactured product. “Abuse” is any use of the flooring that is unreasonable considering the normal and expected uses of Mohawk vinyl flooring in a residential or light commercial environment. These warranties apply only to indoor installations of flooring in dry and climate controlled conditions. The feet of furniture must always be covered with appropriate protective material. Chairs, sofas, or furniture with casters must be fitted with soft rubber wheels and placed on an adequate protective mat or be placed in protective caster cups³.
5. These warranties apply only to first quality Mohawk Vinyl Flooring purchases. Mohawk is not responsible for damages to the extent caused by a failure to install product in accordance with Mohawk VINYL Installation

³ Manufacturer does not recommend the use of casters on any flooring without appropriate chair pads.

Guide over approved substrates and underlayments or a failure to use the recommended adhesives and seam bonds/sealers. The warranty period begins on the date of the original installation.

6. The Waterproof warranty excludes damage to furniture, fixtures, walls, subfloors, moldings, trims, underlayments, radiant heating elements, or anything not related to Mohawk Luxury Vinyl Flooring. Any damage resulting from mold and mildew growth is not covered under the Waterproof warranty.
7. For pet related issues, clean any affected area immediately. Any scratching and/or staining resulting from urine, feces, or vomit from anything other than a domestic pet is not covered under these warranties.
8. Walk-off mats must be placed at all exterior entrances to protect Mohawk Vinyl Flooring from soil, grit, deicers, asphalt sealers, and other contaminants capable of damaging Mohawk Vinyl Flooring. Suitable walk-off mats should contain both soft and firm fibers to facilitate removal of wet or solid contaminants from shoe soles. An extra set of walk-off mats should be available for each entrance so the mats can be replaced and cleaned weekly during routine maintenance, or more often depending upon site and weather conditions.

This routine will prevent walk-off mats from becoming the source of tracked-on contaminants. Walk-off mats should be large enough to allow adequate soil removal.

9. These warranties do not apply to damage from exposure to extreme heat or sunlight exposure, dryness, or stains as a result of chemical or industrial products (other than recommended cleaning products).
10. These warranties exclude damage caused by hydrostatic pressure (water or moisture under the floor that is transmitted to the surface through exerted pressure) or other conditions related to water or moisture originating below the floor.
11. Material must be checked carefully for defects before and during installation and under sufficient lighting. Products with visible defects must not be installed under any circumstances. The retailer must be informed in writing of such defects within 15 days. After this time has elapsed, no further claims will be accepted. Color and gloss issues resulting from material added to an existing installation at a later date and non-warranty related repairs are excluded from coverage.
12. These warranties do not apply to gaps that are 1/16 inch or less (1.57mm), which is not a failure of the locking system.
13. TO THE EXTENT PERMITTED BY LAW, ALL IMPLIED WARRANTIES ⁴ WHICH MAY ARISE BY IMPLICATION OF LAW OR APPLICATION OF COURSE OF DEALING OR USAGE OF TRADE— INCLUDING BUT NOT LIMITED TO IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE— ARE EXPRESSLY EXCLUDED. NO WARRANTIES, EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE, EXTEND BEYOND THOSE EXPRESSLY SET FORTH IN THIS WARRANTY BROCHURE. MOHAWK WILL NOT BE RESPONSIBLE FOR ANY CONSEQUENTIAL, SPECIAL, OR INDIRECT DAMAGES.
14. THESE LIMITED WARRANTIES CONSTITUTE THE ENTIRE AGREEMENT OF THE PARTIES, AND NO WAIVER OR AMENDMENT SHALL BE VALID UNLESS IN WRITING AND SIGNED BY AN AUTHORIZED REPRESENTATIVE OF MOHAWK.

Light Commercial Defined

Mohawk warrants only first quality products for recommended light commercial use such as those outlined in the below Light Commercial Application Chart. Products will perform as warranted for the stated warranty period **when installed in accordance with the Mohawk Vinyl Flooring Installation Guide** over approved substrates and underlayments, using the **recommended adhesives** if applicable.

- Light Commercial use is defined as use in environments, that do not experience normal to heavy commercial traffic, such as those outlined in the Light Commercial Application Chart below.

⁴ By implied warranties Mohawk means warranties that the law presumes to have been given by the seller even though they are not set out in writing. PLEASE NOTE: Some states do not allow the exclusion or limitation of incidental or consequential damages, or limitations on how long an implied warranty lasts, so the above limitation or exclusion may not apply to the original owner.

PLEASE NOTE, warranty exclusions apply with respect to casters and other rolling loads, due to the unusual characteristics of this type of wheeled traffic.

- The intended applications include privately owned in-house businesses, such as daycare centers, doctor/dentist offices, and barber/beauty shops. For questions as to the type of use that is considered “Light Commercial”, please contact Mohawk Technical Services prior to purchase and installation.
- Mohawk is not responsible for usage that is not in compliance with any regulation or code.

CARE AND CLEANING

Your Mohawk LVT flooring will provide years of enjoyable use. You will find that it is not only beautiful, but durable. It is also much easier to maintain than most other flooring products, thanks to its tough protective finish and moisture resistance. It only takes a few simple care and maintenance steps to keep your Mohawk floor looking beautiful for years to come.

Preventative Maintenance

- Prevent indentations and scratches with the use of non-staining floor protectors on the legs of chairs, appliances and all heavy furniture. Floor protectors should be at least one inch in diameter.
- Do not flood floor or subject to standing water.
- Protect your floor from tracked-in dirt by using mats at all outside entrances. Mats should have a non-rubberized backing and be marked as non-staining.
- Avoid tracking in tar or asphalt from driveways.
- Avoid high heeled shoes on your floor, as they can cause permanent indentations.
- Protect your floors against burns. Burns from cigarettes, matches or other extremely hot items can cause permanent damage.
- Avoid exposure to direct sunlight for prolonged periods, as this can cause discoloration.

Cleaning and Maintenance

- Spills should be cleaned up immediately.
- Use a damp mop to remove loose dirt.
- Wash the floor with non-abrasive, neutral pH floor cleaner.
- Thoroughly rinse the entire floor with fresh, clean water. Remove rinse water and allow the floor to dry completely.

DO NOT use the following on your Mohawk floor:

- Soap based detergents
- Abrasive or mop-and-shine products
- Floor wax
- Ammonia
- Vacuum cleaner with a rotating beater bar

Always read the cautionary information on all cleaners prior to use.

IMPORTANT: Never push, pull or drag furniture, appliances or other items across the floor. Always place hardboards over flooring or lift and carry furniture and other heavy items.
