General Terms and Conditions for Laminate Warranties

Mohawk® laminate wood flooring and accessories carry the specific warranties listed above which are subject to the following general terms and conditions:

1. This warranty applies only to the person stated as the buyer on the purchase document(s). This warranty applies only to first quality Mohawk brand product purchases made after the edition date of this warranty when the product is installed in an indoor, climate controlled private residence and according to Mohawk's written installation instructions. The instructions may be viewed at mohawkflooring.com. Product must be maintained in accordance with Mohawk's written instructions.
2. This warranty only applies to defects inherent to the material supplied. It includes the delamination or reduced resistance of the wear layer, but does not include, in beveled-edge products, wear along the edges of the planks less than 3/16" (5mm) from the edge. The lifetime locking warranty on the Uniclic joint only applies to open joints greater than 0.01 inches (0.2mm). Mohawk will repair or replace the area of defective product at its option. When replacement of the flooring is made, only new planks from the current product range at the time the complaint is upheld will be supplied. There will be no other form of compensation. Responsibility under this warranty only applies to defects that were not visible before or during the installation of the product. If the product was originally professionally installed, Mohawk will cover reasonable labor costs for any defective product.
3. This warranty does not cover damage to the product caused by installation errors. Flooring planks or accessories must be checked carefully for material defects before and during installation and under sufficient lighting. Products with visible defects must not be installed under any circumstances. The distributor or retailer must be informed in writing of such defects within 15 days. After this time has elapsed, no further complaints will be accepted. Color and gloss differences resulting from material added to an existing installation at a later date and from non-warranty repairs are excluded from coverage.
4. To qualify for any repair or replacement, buyer will need to provide the original dated sales receipt or other documentation to demonstrate proof of purchase.
5. This warranty does not apply to product that has been put to abnormal use or conditions or abused in any way, which includes but is not limited to moisture damage from plumbing, storm, or flood; damage from smoke, fire or other casualty events; damage caused by negligence; improper alterations of the original manufactured product; damage from use of the flooring that is unreasonable considering the normal and expected uses of a laminate wood floor in a residential environment; damage of mechanical nature, severe impact or scratches (*caused by dragging objects or furniture*) or cutting; damage caused by water or moisture trapped beneath the floor due to improper subflooring or underlayment, including but not limited to damage from hydrostatic pressure (*water or moisture under the floor that is transmitted to the surface through exerted pressure*) or other conditions that result in water or moisture beneath the floor; or damage caused by moisture left on the floor around the wall base, transitions, and trims. The Water Resistant and Waterproof Flooring System warranties do not apply to damage caused by events beyond everyday household spills, including but not limited to flooding, standing water, leaking pipes, mechanical failures or appliance leaks. The Waterproof Flooring System and Pet Resistance warranties apply to laminate wood products only. The damage to the product must be evident, measuring per product unit (*plank, accessory, etc.*) at least 1.40 square centimeters or 0.5 square inch..
6. A suitable mat or sufficiently large transition area at the entrance door(s) must be used to prevent sand and/or dust from damaging the flooring. Scratching during and after installation is not covered. Gloss reduction is not surface wear. The feet of furniture must always be covered with appropriate protective material. Chairs, sofas or furniture with castors must be fitted with soft rubber wheels or an adequate protective mat, or protective castor cups must be put under this furniture.

- 7. This warranty does not apply to damage from exposure to extreme heat, dryness, or stains as a result of chemical or industrial products (*other than recommended cleaning products*). The flooring may not be installed in damp and/or humid areas, in extremely dry areas, or areas where there are extremely high temperatures (*such as saunas or swimming pool areas*).
- 8. **Pro Ration of Warranty Period:** The Limited Lifetime Residential warranty period is prorated for flooring and accessories. The prorated warranty is one that provides for a refund or credit that decreases according to a set formula as follows:
