

HOW TO CREATE YOUR ULTIMATE STEAM SHOWER

3 Simple Steps to Steam

mr.steam®

Feel Good Inc.

A life-changing investment.

A healthier lifestyle can start with a steam shower, as steam can enhance physical and mental well-being. **With MrSteam, you can bring wellness into your everyday routine with a simple bathroom remodel.** In just three easy steps — size, select and customize — you'll discover that living well can be effortless and within your reach.

1 SIZE GENERATOR

Inspiring wellness with nature's oldest therapy.

PIONEERING A LEGACY OF LIVING WELL

At MrSteam, we're committed to helping people feel good and live better with the benefits of steam. With 100 years of experience, we've earned the trust of many prestigious health facilities, including high-end resorts and spas. The pedigree and engineering behind our products provide premier immersive experiences.

We're constantly innovating to craft intelligent products that work smarter for our customers. Our compact generators offer the highest-quality steam shower experiences with precision temperature and optimal control. Since it's just about the size of a briefcase (though the exact size varies based on your shower's construction), installation is easy.

SIZE YOUR STEAM GENERATOR

To ensure you have the right amount of steam for your spa experience, use our online sizing tool to determine the generator size needed for your space.

With our VirtualSpa tool, you can easily determine which system is the right fit for your home in three simple steps — size, select and customize. Visit VirtualSpa.MrSteam.com.

GENERATOR FEATURES

- Exclusive microprocessor operating system
- Single operating platform — from basic installation to a fully accessorized steam shower
- Precision temperature probe for optimal steam shower temperature control
- Replaceable, industrial-grade heating elements
- Limited lifetime warranty
- Easy-to-add plug-and-play accessories can be installed up to 60 feet away from the steam shower
- Every generator comes standard with AutoSteam® for an even flow of steam
- Works with all MrSteam controls
- All generator models are cULus Listed

1. Dimensions are for generator only, without AutoFlush® or plumbing features.

2. C1 after model number denotes a 240V 1 Phase generator.

3. Wire size (AWG) based on minimum 90° rated THHN copper conductors. Refer to the National Electrical Code for other types of conductors.

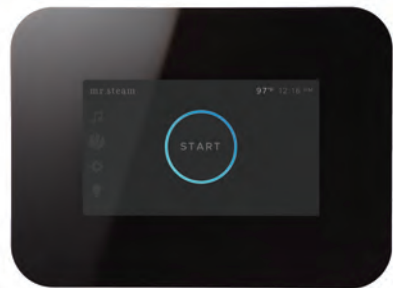

4. Water usage based on 20 minutes of operation.

5. Shipping weight is for generator only, without control or SteamHead.

*1 Phase and 3 Phase generators available. 208 volt and 3 Phase generator available upon request.

Comprehensive wellness at your fingertips.

With our steam room controls, customization is easy. Controls may be selected à la carte or as part of a complete package for an even more simplified shopping experience. Each one is compatible with every MrSteam generator. With the SteamLinx® module and mobile app, you can access your steam shower from anywhere, creating a personalized experience right from your smartphone or mobile device.

ISTEAM®3 TOUCH-SCREEN CONTROL

Take control over every detail of your steam shower with our award-winning iSteam3. Effortless and intuitive, this advanced control allows you to customize and personalize the temperature, time and language settings with one touch.

Works with all MrSteam controls when SteamLinx is installed.

AIRTEMPO® WIRELESS CONTROL

Enjoy easy installation and simple touch-activated functionality with this wireless, glass screen control with added AromaSteam and ChromaSteam capabilities.

ITEMPOPLUS® KEYPAD CONTROL

Available in a variety of finishes, this user-friendly, flush-mount digital control makes customization easy. Add AromaSteam and ChromaSteam systems from this sleek interface.

ITEMPO® CLASSIC CONTROL

The iTempo Control is elegant and easy to use. Flush-mounted and available in a variety of designer finishes, the iTempo matches with any bathroom decor.

3 CUSTOMIZE

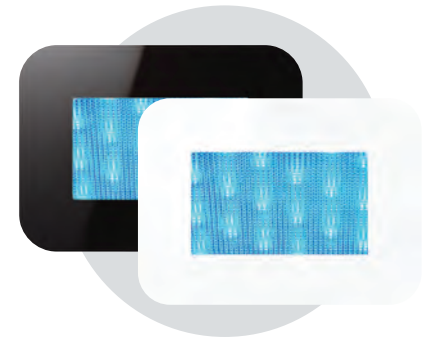

ACCESSORIES

Compose a personalized multisensory symphony.

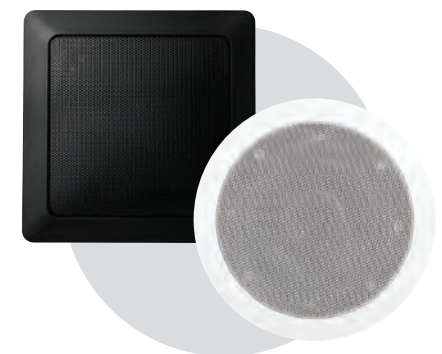

From scent to light to sound and steam, our range of therapies activates the senses for a transformative, customizable steam showering experience from start to finish. Each steam therapy is designed to enhance the effects of steam, taking its cleansing, nourishing, relaxing and rejuvenating properties to the next level.

CHROMATHERAPY – THE CHROMASTEAM3 SYSTEM
Make each steam match your mood by selecting a lighting color directly from your control. Fascia available in black or white.

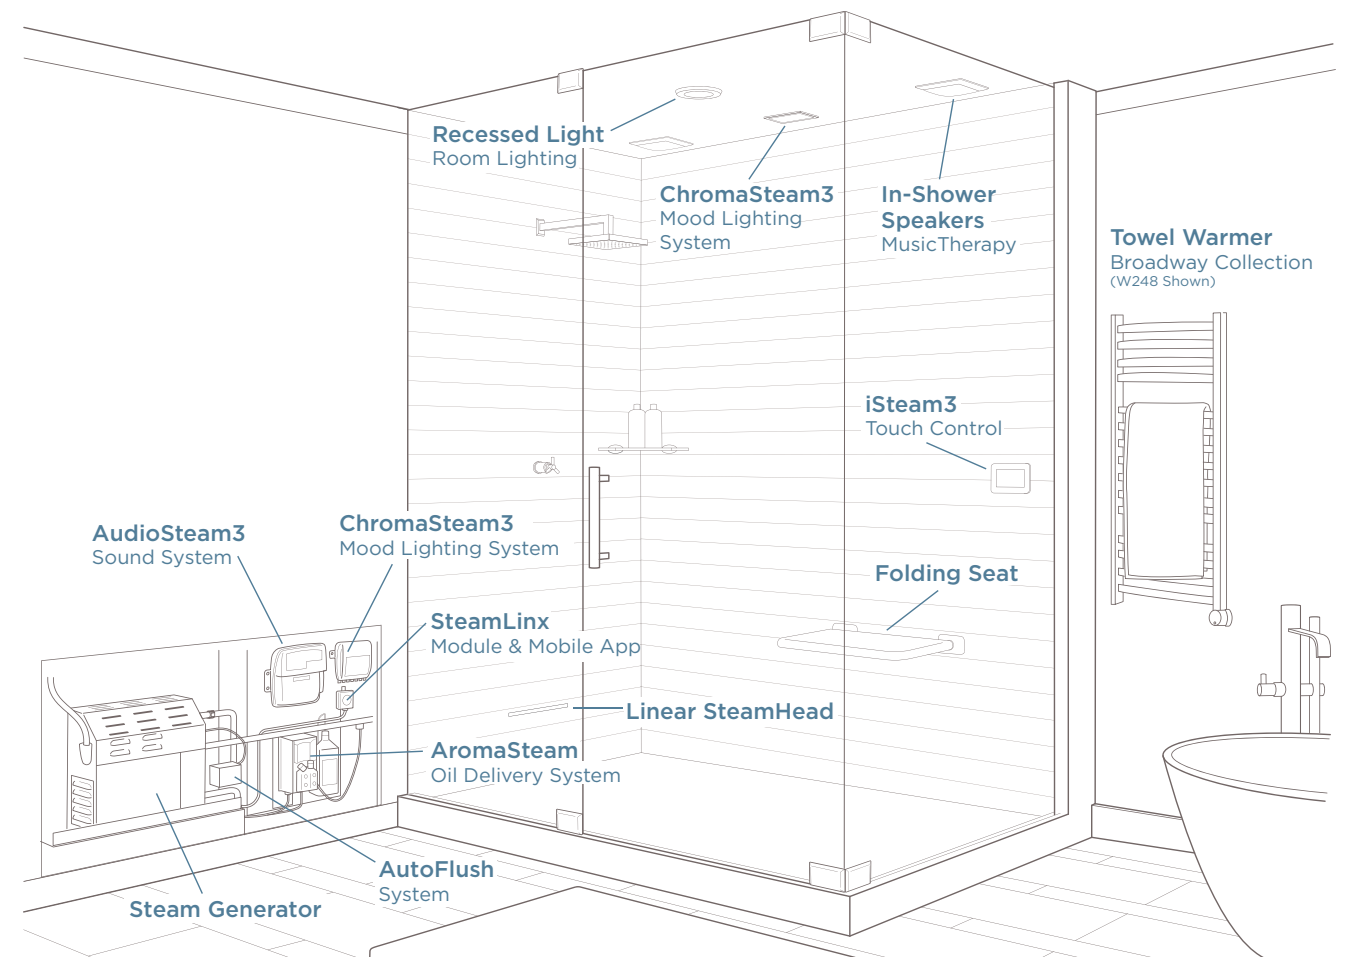

AROMATHERAPY – THE AROMASTEAM SYSTEM
MrSteam's Aroma Fragrances are specially formulated and packaged for use with the AromaSteam system. Each aromatic fragrance offers a distinct scent with characteristic benefits. These long-lasting 1-liter bottles (33 oz.) work in conjunction with the AromaSteam metering pump. The fragrance mixes with steam to create a rich AromaTherapy experience.

MUSIC THERAPY – THE AUDIO SYSTEM
Using Bluetooth® technology, the AudioSteam3 works directly with the iSteam®3 control. You can also connect the Audio@Home to your mobile phone or device for a steamy sound experience. Connect your device to Pandora, Spotify, Audible or iHeart Music and tune in to a more relaxing steam. Speakers are available in black or white, square or round.

Bring wellness into your home.

For illustrative purposes only. Consult with qualified designer, architect or contractor for steam room construction details and proper product placement.

A MrSteam steam shower is an effortless and life-changing upgrade. With just three easy steps and a variety of custom options available, our steam showers allow you to enjoy the healthful benefits of nature's oldest therapy.
