

MSI STAINLESS STEEL SINKS

SINGLE BOWL HANDCRAFTED 3219

SIN-16-SINBWL-WEL-3219

This handcrafted single bowl stainless steel undermount sink is just what the chef ordered. Constructed with 16-gauge stainless steel for reliable durability, it offers one generously sized 30x17" basin that's 10" deep.

Big family dinners? No problem. This hardworking sink can handle oversized cookware like stockpots, slow cookers, and baking sheets. An ideal choice for busy homes and light commercial environments, this sink includes innovative sound shielding pads as well as a beautiful brushed satin finish that helps minimize water spots and small scratches.

Long lasting quality and elegance come together in this popular large basin sink. **Matching grid and strainer included.**
