IMPORTANT ORDERING & INSTALLATION INFORMATION

- Before ordering or installing, please consider future access to equipment.
- Comes standard as freestanding version. May be ordered with 1, 2 or 3 sides for alcove or other installation types.
- Optional factory-installed tile flange available to ensure watertight seal for alcove or other installation types. Must specify left- or right-hand drain on order.
- Includes an integrated overflow with toe tap drain in chrome finish. May be specified without an overflow (see local codes before ordering without an overflow).
- Air baths require job site preparation for remote installation of the blower and required check valve. Check valve must be installed higher than the rim of the tub.
- Waterproof remote control included with air bath. Keypad shipped loose may be remote mounted on nearby surface/wall.
- Numbered areas on tub deck represent possible locations to install faucets and other fixtures.

- Before discarding tub crate, check for accessories that may be packaged inside.
- All product measurements are ±1/2".
- Specifications and configurations are subject to change without notice.
- Measurements herein supersede all others published prior to publication date below.

For more information on options and accessories go to SculptureStone® Tubs Options on mtibaths.com
