Access panel

Important Ordering and Installation Information

- Designed to install on a finished floor that is flat and level.
- Visible access panel is located behind the waste and overflow.
- Access panel dimensions vary according to tub model.
- May be ordered without access panel. Installation will be more difficult.
- The Virtual Spout is installed below the water level of the tub. Wilkins dual check valve and an Acme in-wall vent included. Some areas of the country require additional backflow prevention. Check local codes.
- Options listed cannot be combined with Designer Collection options.

• Before discarding tub crate, check for accessories that may be packaged inside.
 • All product measurements are ±1/2".
 • Specifications and configurations are subject to change without notice.
 • Measurements herein supersede all others published prior to publication date below.
